## Big Hearts Helping Little Hands

### Our Mission

Kiwanis is a global organization of volunteers dedicated to improving the world, one child and one community at a time.

The Kiwanis Club of the Colonial Capital (KCCC) was founded in 1976. The primary goal of our club is to help children in the greater Williamsburg area realize their potential and lead more fulfilling lives. The positive and engaged attitude of our membership helps us achieve the goals of the club.

# Scholarships, Grants & Fundraising

KCCC awards college scholarships to students from Williamsburg Christian Academy, Bruton High School, and to other local area students through the Williamsburg Community Foundation.

Our Grants Committee recommends awards to other organizations that provide services and help to children. The following are among our grant recipients:

- \* Bacon Street
- \* Colonial CASA
- \* Latisha's House
- \* Grove Christian Outreach
- \* James City County Social Services

# KCCC at Work

KCCC participates in a variety of projects throughout the year that involve community service, fundraising, and assisting children locally and worldwide. We are active in the Head Start program and school classrooms, reading and tutoring, and helping kids get ahead.

## Why support Colonial Capital Kiwanis? . . . *Helping Children.*

In 2021, the Williamsburg Regional Library (WRL) opened the Kiwanis Kids Idea Studio. KCCC teamed with the other area Kiwanis clubs in supporting the WRL's and James City County's renovation of the Children's Library. We are excited by the bright, airy, and family friendly space, the new furniture, children's height shelving, the Studio's marketplace, and most importantly, the multi-media and science exhibits which bring STEAM concepts to life. The Kiwanis Kids Idea Studio will positively impact the lives of our community's children for years to come.

- During our annual toy drive, Toys for Local Kids, members collect funds to be used by parents to buy gifts for their children, including toys, clothes, and infant supplies. We also provide books and food baskets. We positively impact over 550 children each year through this program.

- We tutor at local elementary schools and sponsor middle-school basketball, volleyball, and several other sports tournaments.
- Each year, we donate age-appropriate books to families, school libraries, and Head Start.
- KCCC and two other Kiwanis clubs donated a trackless train for kids to James City County Parks and Recreation.
